

2010 Sponsorships...

Layritz Little League will commence its 52nd season on April 10th, 2010.

This upcoming season will mark the re-introduction of Junior Softball, for girls aged 13 and 14 at the Park. Layritz Little League will now offer fun and excitement to families with children ranging from three years old (Blast Ball) to fourteen years old (Junior Softball).

For this season, hopefully the trend of increased registration continues so that more Little Leaguers will have the opportunity to enjoy the game of baseball and softball.

This year's sponsorship fee of \$350 continues with the advertising banner, recognition of your community spirit on our Sponsorship Board strategically located above the Concession Building and also a direct link to your business via our professionally designed website (www.layritz.ca).

Your support and sponsorship is appreciated by over 380 Layritz families. Your banner will be proudly displayed at every home game, and for teams that play away games, at several baseball parks throughout Greater Victoria.

Your sponsorship generosity assists in keeping the cost of registration to a reasonable level. This allows kids the opportunity to participate in a team sport which promotes an active, healthy lifestyle as well as providing a sense of community.

We sincerely hope that we can count on your support and sponsorship for the upcoming 2010 season at Layritz Little League. With your help, and the involvement of the business community, we continue to make sporting activities affordable for kids and their families.

Come and sponsor a team and be part of Layritz Little League! Thank you.

Yours sincerely,

Ray Young
